Investment Highlights:

Rare opportunity to acquire a portfolio of 12 single-family homes, all concentrated within the desirable 63137, 63134, and 63042 zip codes. This portfolio offers an excellent blend of stability, income, and future upside potential, making it ideal for both seasoned investors and those new to real estate investing.

Strategic Location: The portfolio includes 9 homes in the 63137 zip code, 2 in the 63134 zip code, and 1 in the 63042 zip code, all within close proximity to each other, simplifying management and oversight.

Spacious Layouts: Each home features a minimum of 3 bedrooms and 1 bathroom, with one standout property at 6947 Midwood offering 5 bedrooms and 2 bathrooms, appealing to a wide range of tenant profiles.

Income-Producing: 11 of the 12 homes are currently leased to qualified tenants, ensuring immediate and consistent rental income from day one.

Recent Upgrades: The current owners have invested approximately \$180,000 into capital improvements and updates including roofs, driveways, water heaters, landscaping, appliances, flooring, bathroom and kitchen remodels since 2022. This reduces operational headaches and allows for a smooth ownership transition.

Long-Term Value: A savvy investor could continue leasing these homes for years, capitalizing on steady income, and then sell individual properties to owner-occupants at a premium for top dollar.

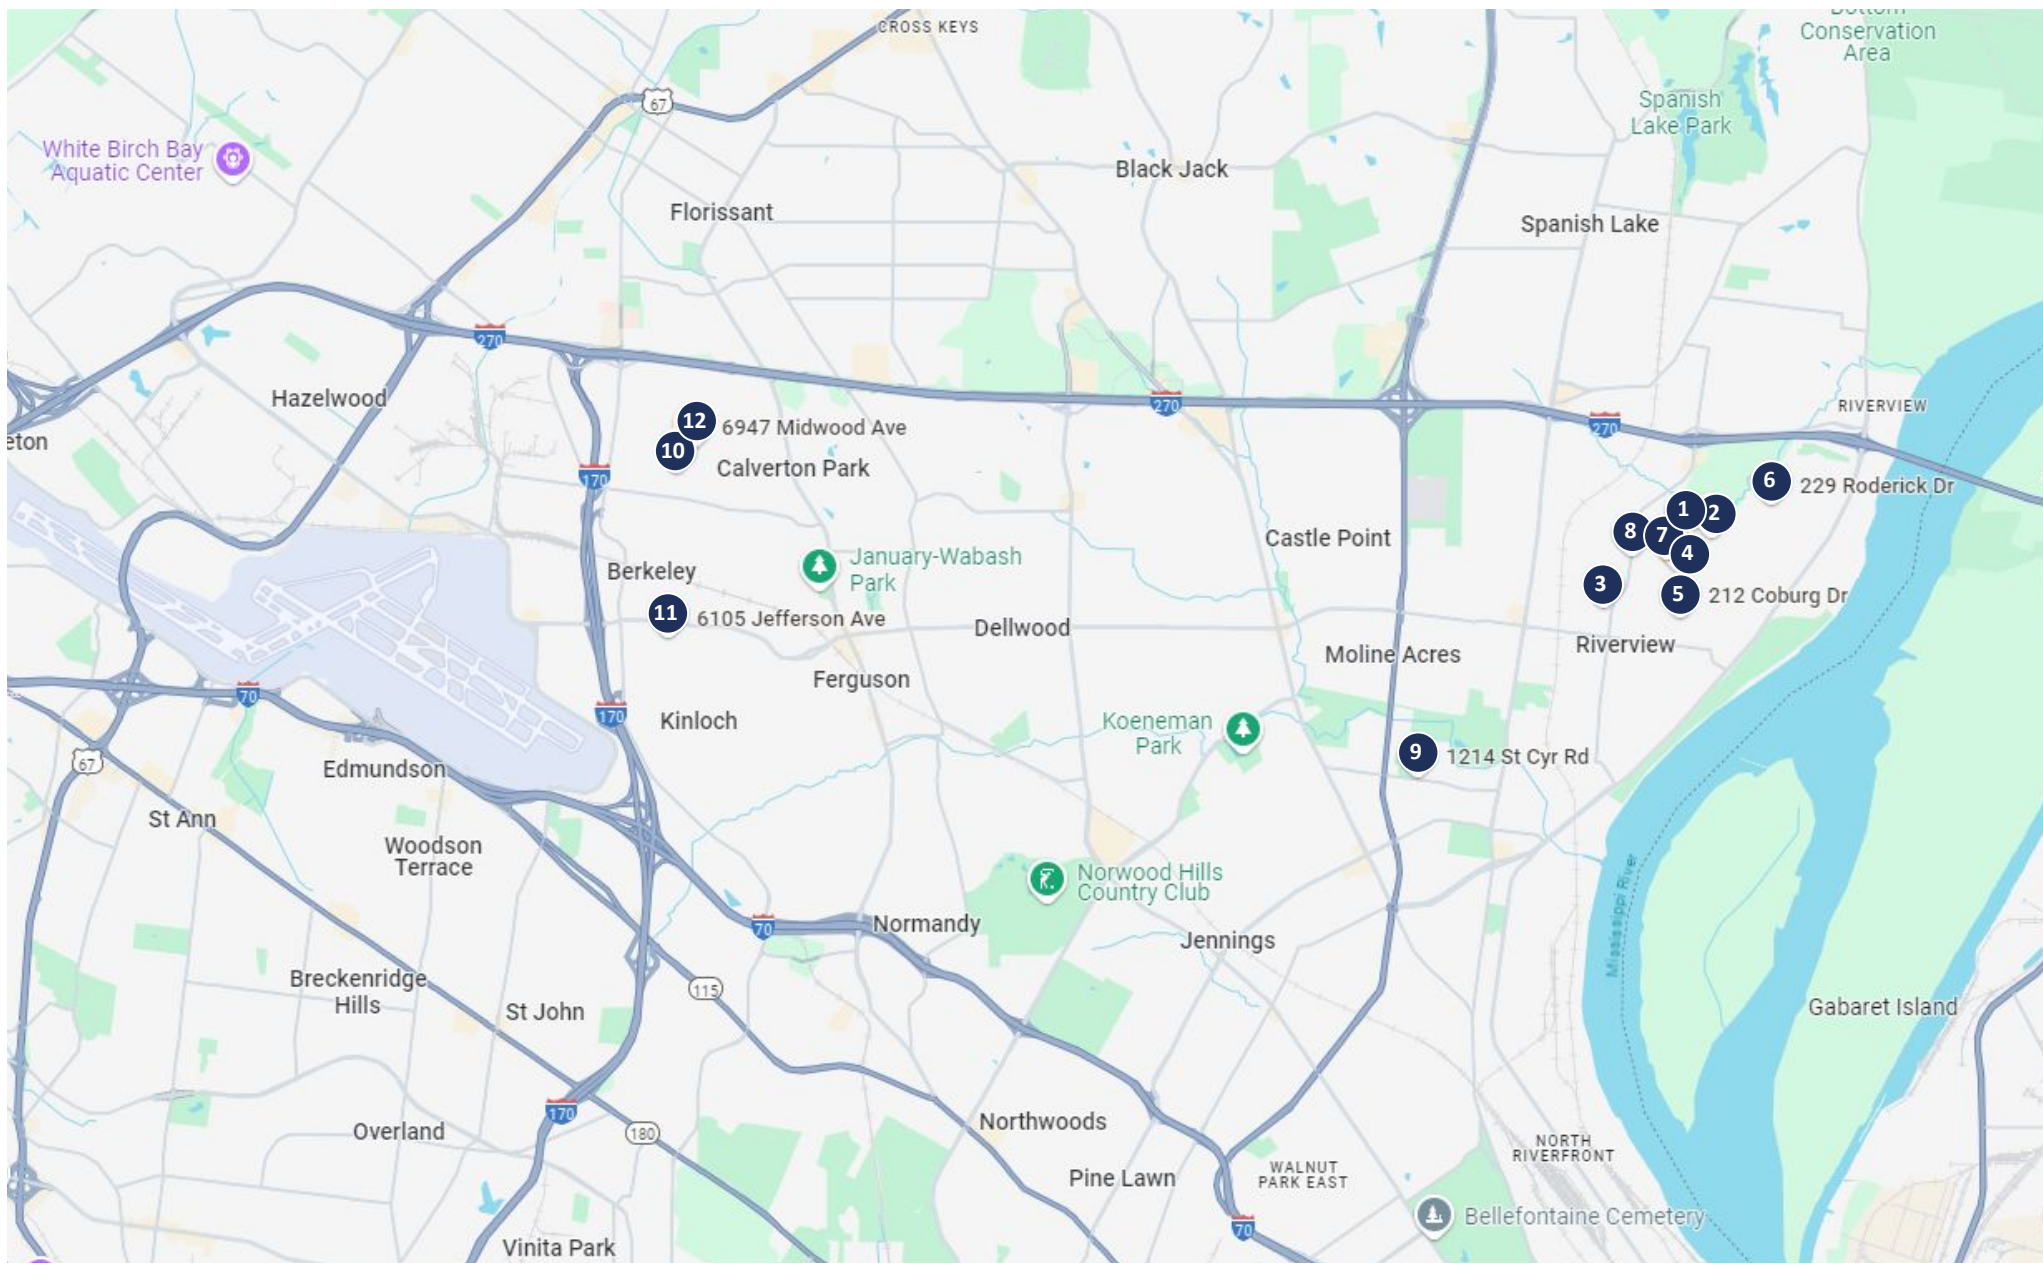

Value-Add Potential: Significant upside exists by increasing rents to the market value, potentially boosting gross monthly income to over \$10,000. This presents a compelling value-add opportunity for investors looking to optimize returns.
